Noonan-Bader.

Mr. Geo. B. Noonan of Castroville and Miss Otillie Bader of Hondo were married at St. John's Church here Thursday morning, April 15, 1920, Rev. Father F. Pailanche officiating.

Mr. Noonan is a well-known stock farmer of Castroville where he has been in the stock business for a number of years, succeeding his father, the late Judge G. B. Noonan, in his extensive ranch interests. His bride is the youngest daughter of Sheriff and Mrs. Joe Bader and numbers her friends by her acquaintances. They will make their home in Castroville.

This paper joins in congratulations and best wishes to the happy pair.

Musical Entertainment.

Mrs. Kittie Peeples of Dallas, Tex. gave a concert here Monday night under the auspices of The Parent-Teachers Association, as was announced last week, to an attentive and appreciative audience. Mrs. Peeples is a musical artist, and rendered a program that could have been appreciated on most any stage. In fact, Hondo was very fortunate to secure one of her ability in a recital. The stage was beautifully and tastefully decorated in ferns and cut flowers; and the members of the Association are very grateful to Mrs. Cockrell for the use of her piano for the evening.

DISTRICT COURT.

The spring term of the district court convened at the court house at 10 o'clock Monday, Judge R. H. Burney presiding, District Attorney L. J. Brucks, District Clerk August Kempf and Sheriff J. F. Bader being present.

The following were sworn in as grand jurors: Isaac Wilson, August Koenig, Henry R. Wernett, Louis Decker, Louis Mangold, Sr., J. W. Roberson, Jacob Fohn, John Muennink, Gus. A. Keller, Louis Schott, D. L. Williams, O. H. Muller.

Isaac Wilson was appointed foreman of the grand jury.

J. H. Henderson, A. E. Harper, Ed Burnett and J. A. Stroud were appointed as bailiffs for the grand jury.

The following qualified as petit jurors for the first week: Edmund Jungman, Walter Rudinger, Henry Saizman, Alex Bohl, W. H. Rackley, X. Schneider, Will Biediger, L. J. Weynand, S. P. Childress, Louis Mehr, Alf. Stein, Jno. Poerner, Frank Tondre, W. O. Rothe, A. A. Blatz, C. A. Oelinger, V. P. King, Jacob Rihn, Robt. Campbell, Henry Nester, Gerhard Ihnken, Jos. Zerr, Jack Fusselman, H. J. Reuss and E. J. Schott.

Alf. Biry, Lee Ward and Max Koehler were excused for good reasons shown.

In the case of I. Aronson vs. Schmitt & Steinhardt, a judgment for plaintiff for $1000.00 and costs was rendered against Mrs. Mary B. Schmitt individually and as survivor of community estate of herself and deceased husband, and against Julius Steinhart, jointly and severally.

In thecase of Adams Co. vs. Will Allen, the jury returned a verdict in favor of defendant.

In case of L. J. Schmidt vs. E. W. Lacy et al, called for trial Thursday, the jury returned a verdict in favor of the defendants.

The grand jury adjourned for the term Wednesday afternoon, after returning five indictments, four for felony and one misdemeanor.

Several cases were continued until next term of court. The criminal docket was set for 10 o'clock next Monday morning, April 19th.

The County School Meet.

The County School Meet last Saturday will long remain a pleasant memory to hundreds of the people of Medina county. From early morning till some giant hand "pulled down the curtain of night and pinned it with a star," the nerves of the immense crowd were keyed up to the highest pitch as event after event showed some splendid records were being made.

But one athletic event occurred in the morning—the tennis games in Public Park—that portion of the day being given over to mental contests, declamations, spelling matches, etc. As no debaters from other schools of the county appeared Hondo High annexed this event by default, and as a consequence Chas. Wilson and Wallace Heath, who were, by elimination tryouts, selected to represent the Hondo school, are in Uvalde today to uphold Medina county's reputation as the home of debaters, in the District Meet, now in progress in that city.

In the afternoon the crowd assembled at College Square where the remainder of the day was devoted to athletic contests, and were rewarded for their presence by witnessing some splendid contests. The Hondo school, as was proper, took a leading part in all events, both literary and athletic, and annexed the greater part of the honors, taking 227 out of a total of 382 points made by all the schools of the county. To Chas. Wilson of the Hondo High went the highest honors awarded to any individual contestant, he having won a greater number of points than any other single entrant. He was presented with a loving cup

The only regrettable feature of the whole Meet was the failure of many of the rural schools to send representatives. As it is the purpose of the school authorities to make the school meet an annual event, it is the hope of everyone to see every school in the county represented in all future events of this character.

For a detailed statement of the events of the day's activities we refer the reader to page 3 of today's Anvil Herald. We also wish to acknowledge our indebtedness to "The Juajilla Leaf" for this statement of results.

The All Star Minstrel Show will give a concert at the Auditorium to-night. This troupe comes well recommended and we are assured those who attend will be well entertained.

Interchurch World Movement.

The county mass meeting of the Interchurch world movement will be held at the Methodist Church, Hondo, on Wednesday, April 21st, beginning at 10 a. m. The afternoon session at 2 p. m. and evening at 7:30. A strong team of four ministers and one woman will present a complete program. This movement has for its object a complete survey of the world's religious condition and needs, and then to coordinate the various religious bodies, as far as possible, to supply those needs. We earnestly request every citizen of Medina County to attend these meetings, on the 21st of April, that they may fully understand the significance of this wonderful movement. Please remember that this meeting is not in any sense sectarian. Come and see for yourselves.

"Gosh! How my back aches!"

After Grip, "flu" or colds, the kidneys and bladder are often affected—called nephritis, or inflammation of kidneys.

This is the red flag of danger--better be wise and check the further inroads of kidney disease by obtaining that wonderful discovery of Dr. Pierce's, known as Anuric (anti-uric-acid), because it expels the uric acid poison from the body and removes those pains, such as backache, rheumatism in muscles and joints.

Naturally when the kidneys are deranged the blood is filled with poisonous waste matter, which settles in the feet, ankles and wrists; or under the eyes in bag-like formations.

Dr. Pierce's Anuric is many times more potent than lithia.

Send 10 cents to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial package.

YOAKUM, TEXAS.—"After using different kinds of medicines for kidney and bladder troubles will say that I have given Dr. Pierce's Anuric Tablets a fair trial and was greatly benefited, and do hereby cheerfully recommend Anuric to all persons suffering from kidney and bladder troubles."—HENRY ROTH,

How Diphtheria is Contracted.

One often hears the expression, "My child caught a severe cold which developed into diphtheria," when the truth was that the cold had simply left the little one particularly susceptible to the wandering diphtheria germ. If your child has a cold when diphtheria is prevalent you should take him out of school and keep him off the street until fully recovered, as there is a hundred times more danger of his taking diphtheria when he has a cold. When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diphtheria or any other germ disease being contracted.

For Constipation.

Mr. L. H. Farnham, a prominent druggist of Spirit Lake, Iowa, says: "Chamberlain's Tablets are certainly the best thing on the market for constipation." Give these tablets a trial. You are certain to find them agreeable and pleasant in effect. Price 25 cents.

No Hog Cholera Found.

County Agent Merritt was in Devine Saturday to look at some sick hogs Mr. Brisco had; and also went down to the Wipff ranch and inspected a car Mr. Scott was shipping out, which are in good shape. Mr. Merritt says he found no cholera here, and hoped we would have none; once it is found, we will be quarantined against for 60 days. The symptoms of hog cholera, he says, is about like this: Fat hogs are likely to have it; they grow weak and stagger in hind legs, or wobble when they walk; the eyes matter and the nostrils fill up, and they have white splotches on their belly. If any one has a good hog that is sick, Mr. Merritt says notify him at once and the government will see about vaccinating; but no one should vaccinate until he is sure of cholera as it would work a hardship on the community; stopping all shipments for 60 days.—Devine News.

A Healing Salve for Burns, Chapped Hands and Sore Nipples.

As a healing salve for burns, sores, sore nipples and chapped hands Chamberlain's Salve is most excellent. It allays the pain of a burn almost instantly, and unless the injury is very severe, heals the parts without leaving a scar. Price, 25 cents.

Sabinal Sentinel Siftings.

Mrs. Fred Reinhart of D'Hanis came over Sunday to visit Mr. and Mrs. Jacob Reinhart.

Are You Happy?

To be happy you must be well. If you are frequently troubled with constipation and indigestion you cannot be altogether happy. Take Chamberlain's Tablets to correct these disorders. They are prompt and effectual, easy and pleasant to take.

W. O. Victor of Uvalde attended this week, at San Antonio, a meeting of the Texas Honey Producer's Association of which he is vice president, in a conference for the purpose of discussing the production and handling of this seasons supply of honey. The producers over the State in general seem to think this years supply will be exceptionally good in spite of the dry weather.—Uvalde Leader News.

Chamberlain's Cough Remedy.

The great benefit derived from use of Chamberlain's Cough Remedy has been gratefully acknowledged by many. Mrs. Benjamin F. Blakeney, Decatur, Ill., writes, "Chamberlain's Cough Remedy is by far the best medicine for colds and coughs we have ever used in our family. I gave it to my children when small for croup and have taken it myself."

Mr. and Mrs. Frank Schweers and baby, Roy, from Hondo, spent Easter Sunday in Uvalde with Mrs. Schweers' sister, Mrs. John Hardt. — Uvalde Leader News.

How is Your Complexion?

A woman should grow more beautiful as she grows older and she will with due regard to baths, diet and exercise, and by keeping her liver and bowels in good working order. If you are haggard and yellow, your eyes losing their lustre and whites becoming yellowish, your flesh flabby, it may be due to indigestion or to a sluggish liver. Chamberlain's Tablets correct these disorders.

C. J. Rich was called to Hondo Wednesday by the death of his uncle, J. W. Frerichs, the funeral being held on Thursday. Mrs. Rich, who had been visiting her parents in San Antonio, met her husband at Hondo and returned with him to Uvalde Thursday night.—Uvalde Leader News.

JEAN PAIGE

Jean Paige never appeared on the stage and in fact she never made a picture until she came to the Vitagraph studio and was given a role in an O. Henry two reel feature. She is the product of a farm in Paris, Ill., and, like the farmer, makes hay while the sun shines. Soon Miss Paige was leading woman for Harry T. Morey and later for Earle Williams in "The Fortune Hunter," and now she is being co-starred with Joe Ryan in a serial.

LEONARD WOOD USES SLEIGH TO REACH AUDIENCE.

During his present speaking tour, Wood has been forced to use various means of transportation in order to keep speaking engagements. In South Dakota he was compelled to brave a howling blizzard on a railroad handcar, where he is seen using a sleigh in Northern Michigan. In the front seat with the driver is William Cooper Procter, chairman of the Wood National committee, while Dr. P. D. MacNaughton, county chairman of the Wood campaign in Calumet county, Mich., occupies the rear seat with the general.

LARRY SEMON

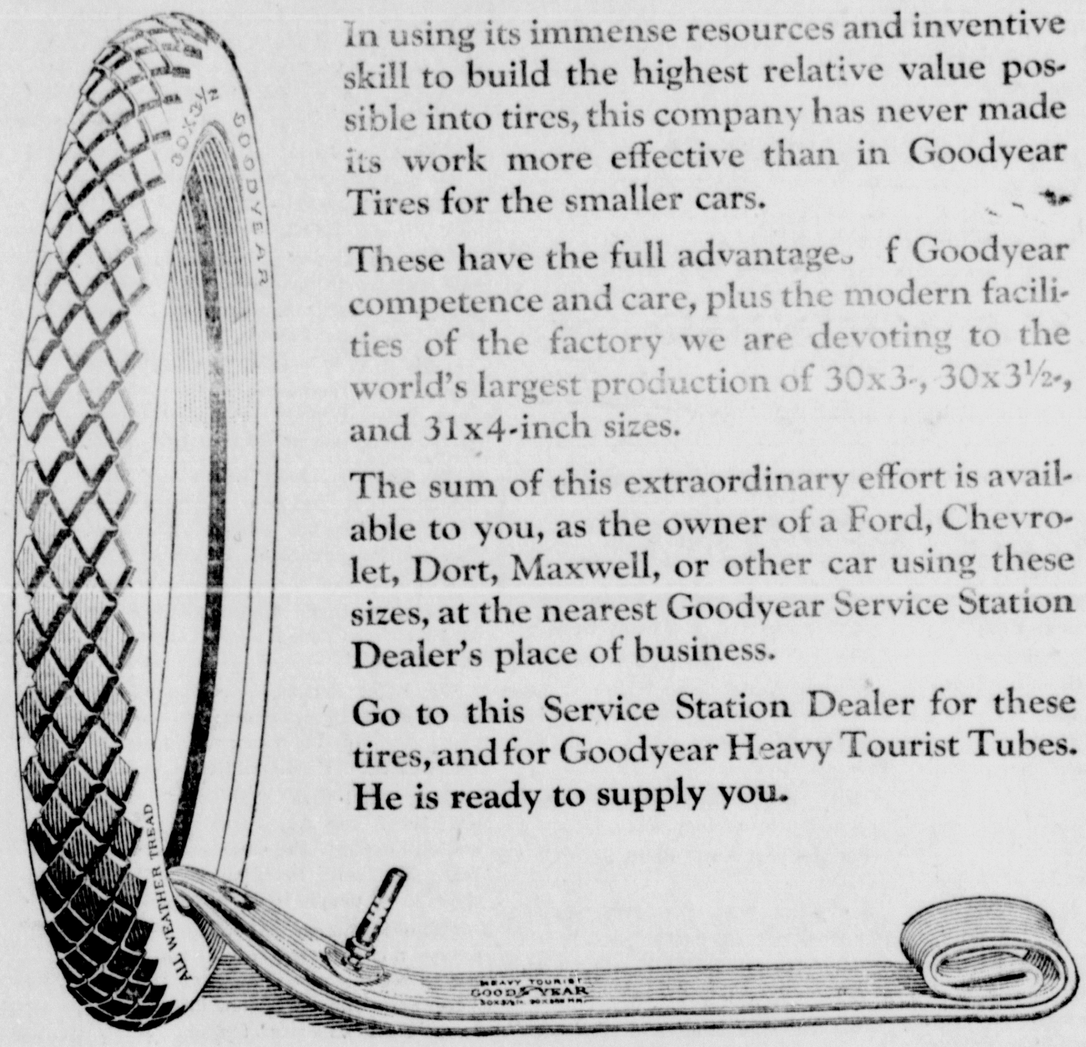

The Fourth Estate lost one of the cleverest cartoonists in the country when Larry Semon heard the call of the screen. What the newspaper readers lost the motion picture fans gained, for Larry is now the comedy king. He writes and directs all of his features and never imitates another. In "The Grocery Clerk" he introduces the shimmying cat.

MISS GRACE DIXON,

Member of national woman's committee, who is assisting in Wood campaign. She has charge of organization work in American colleges and universities.

Tires for the Smaller Cars— Built With Goodyear Methods

In using its immense resources and inventive skill to build the highest relative value possible into tires, this company has never made its work more effective than in Goodyear Tires for the smaller cars.

These have the full advantage of Goodyear competence and care, plus the modern facilities of the factory we are devoting to the world's largest production of 30x3-, 30x3½-, and 31x4-inch sizes.

The sum of this extraordinary effort is available to you, as the owner of a Ford, Chevrolet, Dort, Maxwell, or other car using these sizes, at the nearest Goodyear Service Station Dealer's place of business.

Go to this Service Station Dealer for these tires, and for Goodyear Heavy Tourist Tubes. He is ready to supply you.

30 x 3½ Goodyear Double-Cure Fabric, All-Weather Tread $23.50

30 x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread $21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30 x 3½ size *in waterproof bag* $4.50

You Do More Work,

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS Chill TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS Chill TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS Chill TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS Chill TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle

ALICE JOYCE

Many of the greatest men and women of the stage have had their names associated with one certain play.

Alice Joyce seems destined to have the same distinction. The Vitagraph star has had success after success, but, like all other motion picture stars, she has been without a role that stood out separate and distinct from the rest. In "The Vengeance of Durand," adapted from Rex Beach's powerful story adapted by Mr. and Mrs. George Randolph Chester, she has the best role in her notable career.

Hail Insurance

On Growing Crops.

Are your growing crops insured against damage from hail?

Can you afford to go without a protection which is now so generally taken by successful farmers?

The irony of fate seems to be that the very climatic conditions which bring the rain that makes the crops also bring the hail storms that destroy the crops.

A farmer who has a fine stand of grain is simply playing with fate if he does not protect himself from loss by carrying HAIL INSURANCE in a strong, reputable company.

Companies represented are backed by millions of dollars in assets.

OOD EASY WINNER IN SOUTH DAKOTA

LEADS FIELD IN POPULAR VOTING AGAINST TREMENDOUS ODDS.

Chicago, April 00.—All doubts as to ood's popularity with the voters re laid aside when the returns from outh Dakota came in and showed n an easy favorite over Lowden and hnson.

The fight in South Dakota was a bit- one. Wood entered the state ainst heavy odds. Lowden and John- had perfected their organizations oks before and had gone over the te with a fine-tooth comb. Lowden ney was in evidence at every cor- and cross-roads.

Yet against these tremendous odds, ood, with the power of his own per- ality, took the state away from his ponents and had plenty to spare.

FRIEND OF PRESIDENTS

nard Wood Made Good as White House Surgeon.

Leonard Wood was ordered to Wash- ton in 1895—the morgue of the gov- ment official—to become assistant ending surgeon. The holder of this e often shares with the navy sur- ons the responsibility of medical at- tion to the president. In addition acts as medical adviser to army of- ers and their families and is the of- ial physician to the secretary of r.

It was not an office that appealed Captain Wood. It could not, since was a man essentially of out-of- ors, of action and of administration. t he seems to have made such a cess of the work that he became personal friend of both Cleveland d McKinley. His relations with esident Cleveland were of the most timate sort, resulting from mutual pect and liking as well as from mu- al understanding on the part of both s of the other's good qualities. He w him in the White House at all urs of the day and night; saw him th his family and his children about m; noted their fondness for their fa- er and his devotion to them. It s a quality so marked in Lincoln, so rong in most great men of the und, calm, fearless, administrative rt.

Leonard Wood himself has exhibited e same quality in his own family. d in these days the perfect under- nding of the father and his chil- en, the simple family life that went in the splendid old house in Wash- gton which combined the dignity of state and the simplicity of a home equaled by any other great ruler's use upon this earth—all tended to ing out this native quality of the esident's medical adviser.

ORTH DAKOTA TO WOOD

ate Springs Surprise in Recent Primary Contest.

Chicago, April 00.—North Dakota, itherto conceded as a Johnson state, in fact a Wood state. William ooper Proctor, who is directing the mpaign of Leonard Wood for the epublican presidential nomination, ves figures to prove his claim on orth Dakota for his candidate.

"Two factions of the Republican arty in North Dakota held conven- ons," Mr. Proctor explained; "one on ebruary 17 and the other on Feb- ary 27, both selecting a ticket of ten legates. Later these two conven- ons united and decided to present ly one ticket to the field and ten dele- tes, eight of whom were Wood men nd the other two noncommittal, were lected to oppose the Johnson slate."

In the recent primary, reports from hich have just been received the ohnson slate was defeated by a ma- rity of 8,112 votes, with five counties et to be heard from. Eight of the ten legates named on the regular Re- ublican slate are Wood men.

WOOD HARD TO DEFEAT

Chicago, April 00.—"If Wood gets e nomination the Democrats will ave a hard time defeating him in ovember," declared Col. George L. iller of Ponca City, Okla., owner of e famous "101" ranch.

Miller admits he would hate to see ood elected from a party standpoint asmuch as he is a Democrat, and ays it will be almost an impossibil- y to defeat Wood for the party nomi- ation.

PASTOR PRAISES WOOD

Ashland, O., April 00.—The support f clergymen of the United States in e Leonard Wood campaign is asked y Rev. A. B. Robertson, pastor of the irst Christian church of this city and ne of the leading clergymen of the tate. "I am for Wood because he is a an who does things," Doctor Robert- on said.

Big Percentage for Wood.

Indianapolis, Ind., April 00.—Twen- y-three out of every twenty-five per- ons are for Leonard Wood for the Re- ublican presidential nomination, ac- ording to a poll taken at random mong citizens on the streets of vari- us Indiana cities, principally Vin- ennes, Muncie and Indianapolis. Re- orts coming from other sections of he state show that this average is eneral.

H. H. S. TRIUMPHANT IN MEET

Blue and White Captures 227 Points Out of Grand Total of 382---First Event of This Character to be Carried Out in Past Three Years.

MORNING EVENTS.

JUNIOR SPELLING.

Willie Belle McClaugherty started the day out right for H. H. S. by outspelling four contestants for the first honors in the Junior division of that event.

SENIOR SPELLING.

Here "Slim" Windrow rescued first place for H. H. S. by completely demoralizing all of his opponents.

JUNIOR BOYS DECLAMATION.

This event was also won for Hondo by Joe Harvey Wilson who put up one of the best speels on record.

SENIOR BOYS DECLAMATION.

No one else but George Windrow knocked down the top position in this phase of literary activity.

JUNIOR GIRLS DECLAMATION.

Hondo had no entrants, so Yancey won by default.

SENIOR GIRLS DECLAMATION.

Again Yancey won this event by default.

ESSAY WRITING.

The essays have been sent to a neighboring high-school to be graded—but Hondo was represented by Edna Graff and that's enough.

DEBATE

No other town dared to send opposers against Wallace Walton and Chas. Henry, so Hondo piled up 20 more points by default.

TENNIS SINGLES.

Cullen of Devine outpointed Fly from Hondo 6-2, 6-2; while he also walked over Burgin from Yancey 6-0, 6-0.

TENNIS DOUBLES.

In the semi-finals Cullen and Thompson of Devine defeated Burgin and Oefinger of Yancey 6-0, 6-0; while in the finals Devine mopped up on Fly and H. Windrow, Hondo, 6-1, 7-5.

Notice! Notice!

Since the Essay Contest was won by Hondo in the County Meet, our grand total of points have swollen to 227.

H. H S. GIRLS TROUNCE YANCEY, 24-20.

The grandest event of the day took place when the girls' basketball teams of Yancey and Hondo Hi battled out the best game ever played here by the feminine sex. Hot? Snappy? Fast? Beautiful? Do not ask such silly questions. The affair was simply too dream-like to talk about. Indeed, the game was a fitting climax to the whole program of events. Yancey expected to win without a doubt, but the tedious and gruelling practice that the Hon (ey) girls had endured, spelled only victory for them. Each team advanced its score step by step, keeping pace with the other one, but in the third period of the game, the Hi girls stamped down all opposition, and with graceful and wonderful teamwork they netted goal after goal—and when the whistle blew "time-up," a final score of 24-20 was registered in Hondo's favor. Again, Captain Fusselman exhibited the most ideal playing of either team. Her courage, her stamina, and her spirit gave her the ability to play, unquestionably, the best game at guard that has ever been seen on a local court. Nookie Schuehle broke out into the lime-light by her clever handling of Eva Ward, Yancey's best. Too much praise or credit cannot be given any member of the squad, for every single one made herself immortal in the eyes of athletic fans. Professor Dewald and Mrs. Cockrell, coaches for the respective teams, refereed an excellent and clean-cut game. Thus, fittingly ends the most illustrious season in which the girls have endeavored to win laurels for dear old Hondo High, because the silver loving cup remains in the Auditorium for ever.

ILLINOIS DOCTOR PRESCRIBES IT

Says He Has Never Known Medicine To Produce Results Like Tanlac.

Dr. B. H. Elder, with offices at 410 Shradski Bldg., Peoria, Ill., who has been in active practice for over forty years, says:

"Medical science has never before produced a medicine that brings results like Tanlac. I have been prescribing it some time with remarkable results. Personally I had suffered for years from stomach trouble and rheumatism and had devoted my best thought trying to find relief but to no avail. After eating, gas would form in my stomach and affect my heart, causing poor circulation, cold hands and feet, dizziness, peculiar feelings, terrible headaches and cramps. The rheumatism pained me so I could hardly stand to move my legs or arms.

"I had a patient who had also suffered for years with the same trouble as mine, and although I did all I could for him he got no better. One day, after he had been away for about six months, he came to my office and never in my life have I seen a man look better or seem to feel better than he did. He told me Tanlac was what had brought about the wonderful change. I began trying the medicine at once with the result that a few bottles relieved me entirely of stomach trouble, rheumatism and all my other ailments. Although I am an extra hearty eater nothing ever disagrees with me any more. I have prescribed Tanlac in cases of rheumatism, kidney and bladder disorders and a run down condition with wonderful results, and I feel that I ought to give my experience with Tanlac to the public for the benefit of suffering humanity.

Tanlac is sold in Hondo by W. H. Windrow; in Castroville by Joseph Courand and Co.; and in Dunlay by Louis A. Haby.

CONTROL THE BOLL WEEVIL

Rightly Used and Properly Made Calcium Arsenate Will Do This Effectively

By F. H. Jeter, Soil Improvement Committee

Late studies made by Professor B. R. Coad of the United States Department of Agriculture confirms his former opinion that by the proper use of well made calcium arsenate boll weevil damage to cotton may be kept at the regular normal shed of the cotton plant at a cost of about two dollars per application. The first thing to do is to get ready in time, procure the material and the appliances for distributing it and to be positive that the poison is of the proper kind. There is only one absolute way of being positive and this is to send a sample to the Delta Laboratory at Tallulah, Louisiana, where it will be examined free of charge and a report made to you, or by having it analyzed by a good chemist.

Under the system of poisoning found most effective but at the same time most economical, the weevils are allowed to multiply until they are present in such abundance as to be dangerous to the crop yield, then poisoning is begun and kept up for every four or five days until the cotton has been kept covered with the material for about twelve days. Weather conditions may cause a variation in this program, but if the weather is ideal, this plan will thoroughly control both the weevils and their progeny.

The time to dust is when the air is still and full of moisture and the plants wet with dew. This means that the best time to dust is at night or while the dew is on the plants. Every part of the cotton plant should be touched with the dust cloud. Five pounds per acre will give good results where the machines are well operated. Four pounds is the amount used by the Government experts at Tallulah. Since the calcium arsenate is worth about 25 cents per pound, economy should be observed in its use.

There is a common tendency on the part of many farmers to wait until too late to order their materials for poisoning. To delay this year is dangerous, as it may not be secured, and the crop will be seriously reduced. Any man who can make as much as one-half bale per acre on his land will find that it pays to dust. Where lower yields than this are made, the operation probably will not pay.

The important thing to remember is that if the weevil is kept under control for twelve days at the period of his greatest infestation by the proper use of properly made calcium arsenate, the loss of cotton will be no greater than the normal shed of the plants. Cotton always produces more bolls than it can mature, even where the weevil is not present, and so up until a certain point there can be a great abundance of the insects present without interfering with the regular normal yield. Beyond this point, the dusting should commence and be continued every four or five days for a period of twelve days.

FERTILIZER SHIPMENTS ARE DELAYED

Side Applications Can Be Made to the Growing Crop, Is the Advice of Agricultural Leaders, Who Consider This a Good Year for Big Acre Yields.

Shreveport, March 25—Because of high prices for all farm produce and the great demand for a heavy production along all lines, farmers of the South are ordering more fertilizer than ever this season, according to the Soil Improvement Committee. There is a likelihood that the manufacturers will not be able to fill all orders and make shipments in time for spring planting, but this should not deter any grower from giving his crops a sufficient supply of plant food this year. If the fertilizers are not received in time for planting, they should be put down as side applications as soon as the farmer is able to get them.

This recommendation is not generally advised for cotton under boll weevil conditions, but if the side applications are made as early as possible, it is believed by the agricultural authorities of the Southern Soil Improvement Committee that the cotton can be pushed to a heavy yielding maturity in time to beat the most serious ravages of the pest.

Side applications are necessary this year, according to the Soil Improvement Committee experts, who say that good yields should be made on every acre planted. It is probably more economical to put down the fertilizer for a crop when it is planted, but the demands for heavy production of all crops and the prices which are being received for them will not permit any grower to be content with low yields. The fertilizer can be scattered alongside the plants and plowed under or put down with the fertilizer drill close along the row and give about as good results as when put directly under the seed. This will at least guarantee a much greater yield than where no plant food at all is used, these authorities consider.

Information of Priceless Value to Every Hondo Citizen.

How to act in an emergency is knowledge of inestimable worth, and this is particularly true of the diseases and ills of the human body. If you suffer with kidney backache, urinary disorders, or any form of kidney trouble, the advice contained in the following statement should add a valuable asset to your store of knowledge. What could be more convincing proof of the efficiency of Doan's Kidney Pills than the statement of a Hondo citizen who used them and who publicly tells of the benefit derived?

F. H. Bohlen, proprietor of a repair shop, Hondo, says: "I always use Doan's Kidney Pills when my back bothers me and they never fail to help me. My back ached at times and I had sort of a dull pain in my kidneys. I was often dizzy and black specks appeared before my eyes. My kidneys acted irregularly and the secretions were highly colored and burned in passage. I used Doan's Kidney Pills and they cured the attack. My back is now as strong as iron and my kidneys act regularly. I think the world of Doan's Kidney Pills."

Price 60, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bohlen had. Foster-Milburn Co., Mfgrs. Buffalo, N. Y.

JOE RYAN

Joe Ryan won the prize for riding Dynamite, a bucking steer belonging to a wild west show playing in Denver, and on top of that received an offer to go into pictures as a cowboy. Thus filmland secured a new type of bad man. He couldn't help playing a bad man for he was born at the foot of Devil's Tower in Crook County, Wyo. He has lived up to the name of his native county, playing the vicious but rather likable villain. Joe Ryan is now at work on a serial in which he will appear as both hero and villain.

HARRY T. MOREY

When not at work on a picture Harry T. Morey is to be found in No. 16, a dressing room which dates back to the early days of his career in the Brooklyn studio of Vitagraph. It was 10 years ago that he occupied this room with Earle Williams. The walls resemble a combination of art museum and rogues' gallery. They are hung with pictures of Morey in various roles, ranging from a policeman, his first part; the crook, Joseph Garson of "Within the Law," to the high financier in "The Gamblers." Recently, he has added Phillip Grey in "The Birth of a Soul" and a detective character in "The Flaming Clew."

CORINNE GRIFFITH

It was particularly appropriate that Albert E. Smith, president of Vitagraph, should have selected Corinne Griffith for the leading role of Clyde Fitch's "The Climbers," for she has been steadily climbing ever since she left her home in the south to become a film player. Now she has reached the top rung of film success. In addition to her imposing personal appearance and histrionic talent, Miss Griffith has the happy faculty of wearing beautiful and unusual gowns with grace and has had a splendid athletic training. Some of her most recent features have been "A Girl at Bay," "The Power of Jewels," "Human Collateral" and "Deadline at Eleven."

Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet.

A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!

EARLE WILLIAMS

Earle Williams, Vitagraph star, has devoted most of his time to that company's West Coast studio in recent years, but came east to make "The Fortune Hunter" and "Captain Swift," two plays that had a long run on Broadway a few years ago. They were made famous by the Barrymores. Mr. Williams is now at work making features at Vitagraph's West Coast studio.

Can A Million Motorists Be Wrong?

Endorsement of a tire by one hundred motorists would prove nothing.

Endorsement by a thousand would prove little, but when a million motorists, scores of great corporations and three thousand dealers like ourselves say that Horse-Shoe tires actually cost less per mile of service, their collective endorsement carries tremendous weight.

If this is the kind of a tire you would like to drive we should like to tell you more about it.

BAPTIST CAMPAIGN WILL EMPHASIZE EVANGELISM

The new campaign which the Baptists of the state are to conduct during the next sixty days will emphasize the winning of souls, according to a statement issued by Dr. F. S. Groner, of Dallas, the general secretary of the Baptist Executive Board. Though an effort will be made during the latter part of April to increase the subscriptions to the 75 million campaign to the sum of 100 millions, the effort will largely be confined to churches that were not reached in the other campaign, and the evangelistic feature of the campaign will be stressed.

Simultaneous revival campaigns in the larger cities in which all the churches will conduct their meetings at the same time, are planned during the next two months. "The campaign for the 75 million was a glorious success," continued Dr. Groner in his interview. "More than ninety millions was subscribed, and with this encouragement it was decided to attempt to reach $100,000,000. However, this effort to reach this huge sum will not in any way interfere with the main object of the campaign to reach the unevangelized of the state. It is planned that in the period of March and April, every church of the cities and larger towns will hold special revival meetings. The smaller churches of the country will probably prefer to hold their evangelistic services in the summer and early fall. To meet this preference, the summer months of 1920 were designated for the evangelistic period for the smaller churches."

ANTONIO MORENO

Antonio Moreno was a small boy when his father died. Eager to assist his mother by sharing part of the family burden he obtained a position as baker's clerk. For this service he received the princely sum of two dollars a week. Although he liked his position, this Spanish lad had dreams of making a fortune. He had seen wealthy American tourists in his native town and they awakened ambition in his breast. He resolved to save his money and go to the land of promise.

The Americans who visited Campamento were all supposed to be millionaires. Into the mind of Antonio Moreno came dreams, dreams of Wealth that lay across the great ocean. He became determined to go to the United States and make a fortune.

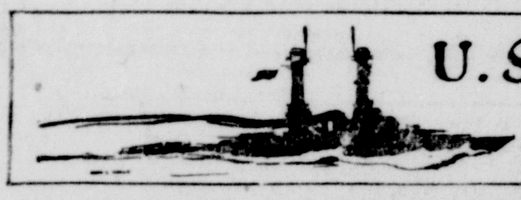

When Antonio Moreno, at the age of fifteen, walked up the gangplank from the Gibraltar docks to an American steamship, he was in reality crossing the bridge from nonentity to fame. Aboard the boat was one of America's most distinguished actresses, Miss Helen Ware. Her attention was attracted to the handsome lad with the fiery eyes, and she became interested in him.

"What do you intend to do when you reach America?" inquired Miss Ware.

"Make a fortune," promptly replied young Antonio.

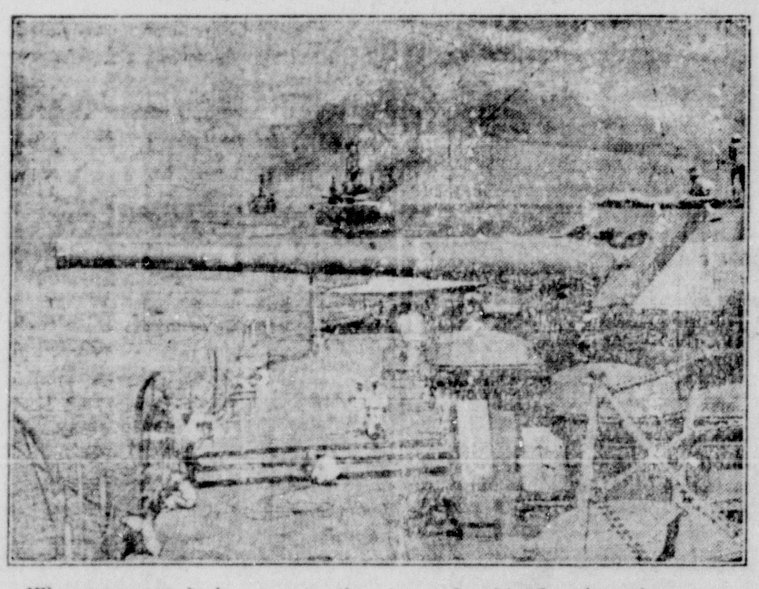

Miss Ware smiled at his confidence and replied, "I think you will find both fame and fortune in the theater if you chose to become an actor."

The prophecy is now being realized. Antonio Moreno as the star of such Vitagraph serials as "The Iron Test" and "Perils of Thunder Mountain," is earning international fame and a considerable fortune. While in New York recently he signed a two year contract with the Vitagraph Company and recently finished a serial production dealing with secret service, entitled "The Invisible Hand."

3 PER CENT LOANS

To the person who will arrange several months in advance for it. If you are far sighted; if you are the kind of person who is peeping into the future with a view of buying a home, business property or a farm; if you contemplate ever owning a home, then you will act wisely by investigating our plan of loaning money at 3 per cent per annum. You repay loan like paying rent. We take up mortgages bearing a higher rate of interest. We offer you the easiest way, the surest way, the safest way; the way that will furnish a home at the lowest possible cost to you. Under supervision of the Texas State Banking and Ins. Dept. We are SAFE, SOUND, CONSERVATIVE AND RELIABLE.
